**NOTICE OF PROPOSED SETTLEMENT OF A CLASS ACTION WITH  
EXCELLUS, OF SETTLEMENT HEARING TO CONSIDER THE  
PROPOSED SETTLEMENT AND OF YOUR RIGHTS CONCERNING  
THE PROPOSED SETTLEMENT**

**IF YOU ARE A PHYSICIAN, PHYSICIAN GROUP OR PHYSICIAN ORGANIZATION WHO PROVIDED COVERED SERVICES IN THE STATE OF NEW YORK TO ANY EXCELLUS PLAN MEMBER OR ANY INDIVIDUAL ENROLLED IN OR COVERED BY AN INSURED PLAN IN THE STATE OF NEW YORK OFFERED OR ADMINISTERED BY EXCELLUS, INC., EXCELLUS HEALTH PLAN, INC. OR EXCELLUS BENEFITS SERVICES, INC. FROM AUGUST 15, 1996 THROUGH MAY \_\_, 2005, PLEASE READ THIS NOTICE CAREFULLY. THIS CLASS ACTION AND THE PROPOSED SETTLEMENT MAY AFFECT YOUR RIGHTS.**

**I. WHY SHOULD YOU READ THIS NOTICE?**

If you are or have been a physician who actively practiced in New York at any time since August 15, 1996, or a physician's group or physician organization, your rights may be affected by a proposed settlement with Excellus, Inc., Excellus Health Plan, Inc., and Excellus Benefits Services, Inc. (together, "Excellus" or "Defendants") in the class action lawsuit known as Dolan, et al. v. Excellus, et al., and a companion case, Medical Society of the State of New York v. Excellus, et al. which is not a class action, but is also the subject of the Settlement Agreement. Together, the Dolan and MSSNY actions against Excellus shall be referred to herein, collectively, as the "Actions." The class representatives and the Medical Society of the State of New York have agreed to settle all claims against Excellus in the Actions in exchange for Excellus' adoption of a number of commitments and initiatives regarding its business practices, provision of certain in-kind benefits to actively practicing physician Class Member claimants and

a per capita payment to retired Class Members who do not opt out of this Settlement. The Court has scheduled a hearing to consider the fairness, reasonableness and adequacy of the proposed settlement with Excellus, together with certain other matters, to be held on \_\_\_\_\_ (the "Settlement Hearing").

You may be a member of the Class who therefore would be entitled to receive the benefits of the proposed settlement. As a member of the Class, however, you will also be bound by the release and other provisions of the settlement if it is approved by the Court. You may elect to opt-out of the Class and the settlement, as explained below. You also have a right to object to the settlement or to the applications for attorneys' fees and representative plaintiffs' fees that counsel for the Class intend to make to the Court, but only if you comply with the procedures described in this notice. **BECAUSE YOUR RIGHT TO PURSUE CERTAIN TYPES OF CLAIMS AGAINST EXCELLUS AND CERTAIN OTHERS AFFILIATED WITH EXCELLUS BASED ON EXCELLUS' CONDUCT MAY BE AFFECTED BY THE SETTLEMENT, YOU SHOULD READ THIS NOTICE CAREFULLY.**

## **II. WHAT IS THIS LITIGATION ABOUT?**

The Actions have been brought by, and on behalf of a class of physicians, and by the Medical Society of the State of New York against the Defendants. The complaints in both Actions, which are nearly identical, allege that Excellus denied, delayed and/or reduced payment to physicians by engaging in several types of allegedly improper conduct, including:

- Allegedly failing to disclose the use of edits to unilaterally "bundle," "downcode" and/or reject claims for medically necessary covered services;
- Allegedly failing and/or refusing to recognize CPT modifiers;
- Alleged use of improper guidelines and criteria to deny, delay, and/or reduce payment for medically necessary covered services;
- Allegedly failing to disclose applicable fee schedules; and
- Allegedly failing to pay claims for medically necessary covered services within the required statutory and/or contractual time periods.

The Complaints claim breach of contract and violation of various state statutes. If you would like further information about the claims asserted in the Actions, you can review a copy of the complaints on [www.mssny.org](http://www.mssny.org), [www.hspm.com](http://www.hspm.com) or [www.milbergweiss.com](http://www.milbergweiss.com).

## **III. WHAT ARE THE TERMS OF THE PROPOSED SETTLEMENT?**

In a settlement agreement dated May 23, 2005 (the "Settlement Agreement"), the representative plaintiffs and the Medical Society of the State of New York have agreed to settle all claims that were or could have been asserted against Excellus in the Actions in exchange for five hundred thousand dollars (\$500,000) for per capita payments to retired or deceased physicians, Excellus' agreement to materially alter a number of its business practices, and funding for agreed upon Community Health Initiatives and certain in-kind benefits to active,

practicing class members who have not opted out of the Settlement. The terms of the Settlement Agreement are summarized in this notice, but a copy of the entire Settlement Agreement can be reviewed on [www.mssny.org](http://www.mssny.org), [www.hspm.com](http://www.hspm.com) or [www.milbergweiss.com](http://www.milbergweiss.com).

#### **A. The Settlement Class**

The proposed settlement will be on behalf of a settlement class (the "Class") consisting of all Participating and Non-Participating Physicians, Physicians Groups and Physician Organizations who provided Covered Services in the State of New York to any Plan Member or any individual enrolled in or covered by an insured plan in the State of New York offered or administered by any Person named as a defendant in the Actions or by any of their respective current or former subsidiaries or affiliates, in each case from August 15, 1996 through \_\_\_\_\_ (the date that the Court entered its order preliminarily approving the proposed settlement and directing that this notice be provided to you).

#### **B. The Settlement Consideration**

If the settlement is approved by the Court, the Settlement Agreement provides for monetary and in-kind benefits as well as other substantial operational benefits to be provided by Excellus to members of the Class and funding for certain Community Health Initiatives.

##### **1. Business Practice Initiatives**

As a part of the settlement, Excellus has agreed to certain commitments regarding its business practices. For example, Excellus has agreed to: (a) process and make eligible for payment all physician claims for covered services pursuant to and consistent with the current version of CPT codes; (b) include in its contracts with Physicians a definition of medical necessity which bases medical necessity determinations on generally accepted standards of medical practice, using clinical guidelines that are based on credible scientific evidence published in peer reviewed medical literature (taking into account Physician Specialty Society recommendations, the views of Physicians practicing in the relevant clinical areas, and other relevant factors) when making medical necessity determinations; (c) provide physicians access to Company's medical necessity external review process; (d) establish an independent external review process for resolving disputes with physicians concerning many common billing disputes; (e) make investments designed to facilitate the automated adjudication of claims submitted by physicians and thereby reduce the average time taken by Excellus to pay valid claims; (f) fund initiatives to increase the percentage of claims issues resolved on initial review and thereby reduce the percentage of resubmitted claims; (g) unless otherwise permitted or required by individually negotiated contracts, will not automatically reduce the intensity coding of evaluation and management codes billed for covered services; (h) disclose payment rules and conform its bundling and other computerized editing rules as specified in the agreement; (i) confirm the elimination of "all product" and "gag clauses"; (j) improve accuracy of information about eligibility of plan members; (k) ensure over time payment of valid clean claims within 15 days for electronically submitted claims and 30 days for paper claims; (l) provide physicians with the ability to view their fee schedule and agree to maintain and update such fees on an annual basis, and (m) establish a compliance dispute resolution mechanism to address disputes regarding Excellus' compliance with the agreement. In addition, Excellus will

disclose additional information about its claim administration policies and procedures on its existing website. These changes, as well as others, are more fully described in the Settlement Agreement.

## **2. In Kind Benefits For Actively Participating Class Members**

Excellus has agreed to provide an in-kind benefit to claiming, active, practicing class members who do not opt out of the Settlement. The aggregate value of all such in-kind benefits shall be five million dollars (\$5,000,000) to be distributed on a pro-rata basis to those non opting-out class member claimants.

## **3. Payments to Retired/Deceased Physicians**

Excellus has agreed to establish a five hundred thousand dollars (\$500,000) fund for non-opting out individual physicians who have retired from the practice of medicine or have died and who are members of the Class under the proposed settlement. If the settlement is approved by the Court, these retired or deceased members of the Class will be entitled to a per capita payment from the settlement fund in accordance the Settlement Agreement.

## **4. Community Health Initiatives**

Excellus shall pay one and one quarter million dollars (\$1,250,000), to be applied to certain Community Health Initiatives mutually agreed upon by the parties, and an additional two hundred and fifty thousand dollars (\$250,000) shall be paid by Excellus to MSSNY, for medical liability reform.

Those physicians entitled to an in-kind benefit or retiree/deceased payments may instead elect to donate the value of same to the Community Health Initiatives Fund by so indicating on the proof of claim form.

## **C. The Release and Dismissal with Prejudice**

In exchange for this consideration, if the Settlement Agreement is approved, the Actions will be dismissed with prejudice as to Excellus. In addition, Excellus will receive a release and discharge from the Class (which would not include members of the Class who timely elect to opt-out of the settlement; as discussed below) of any and all causes of action, judgments, liens, indebtedness, costs, damages, obligations, attorneys' fees, losses, claims, liabilities and demands of whatever kind or character (each a "claim"), arising on or before \_\_\_\_\_ (the date that the Court's order preliminary approving the settlement was entered), that are, were or could have been asserted against any of the released parties based on or arising from the factual allegations of the Complaints in the Actions, whether any such claim was or could have been asserted by any releasing party on its own behalf or on behalf of other persons.

In addition to this release, members of the Class who have not opted-out of the Settlement will be deemed to have forever abandoned and discharged any and all claims that exist now or that might arise in the future against any other persons or entities, including the other Defendants in the Actions, which claims arise from, or are based on, conduct by Excellus or any of the other released parties that occurred on or before \_\_\_\_\_ and are, or could have been, alleged in the

complaints in the Actions, whether any such claim was or could have been asserted by any releasing party on its own behalf or, on behalf of other Persons. Nevertheless, the Settlement Agreement does not operate to relieve any person or entity other than Excellus from responsibility for its own conduct or conduct of other persons who are not released parties.

Excluded from the release are claims for certain medically necessary covered services that are or were in the process of being submitted to, adjudicated or paid by Excellus at the time that the Settlement Agreement was entered into and the Court approval process was begun. Moreover, the release does not include any claims that are alleged in the action Rochester Community Individual Practice Association, Inc. v. Finger Lake Health Insurance Company, State of New York, County of Monroe, Index No. 2975/98. This provision is discussed in more detail in section 13.5 of the Settlement Agreement, to which you should refer if you have any questions as to its applicability.

The Settlement Agreement includes a covenant not to sue Excellus or the other released parties for claims that are generally subject to the release, subject to certain limited exceptions which are described in detail in section 13.3 of the Settlement Agreement.

The release provided for in the Settlement Agreement applies to claims whether they are known or unknown. In this regard, each member of the Class that has not timely elected to opt-out of the settlement and the Class shall be deemed expressly to have waived and released any and all provisions, rights and benefits conferred under law, as discussed in greater detail in Section 13 of the Settlement Agreement.

#### **IV. WHAT WILL HAPPEN AT THE SETTLEMENT HEARING?**

As mentioned above, the Settlement Hearing will be held on \_\_\_\_\_ at \_\_\_\_ :00 A.M. /P.M. at \_\_\_\_\_. However, the order scheduling that hearing also provides that it may be adjourned by the Court and that no additional notice will be provided to potential members of the Class other than an announcement in open court.

At the Settlement Hearing, the Court will consider several different issues:

First, the Court will consider whether the proposed Settlement of the Actions with Excellus that is reflected in the Settlement Agreement is fair, reasonable and adequate to members of the Class.

Second, the Court will consider whether it should certify the Class pursuant to Rule 901 of the New York Rules of Civil Procedure. Among other things, this will require the Court to determine (i) whether questions of law or fact common to the members of the Class predominate over questions affecting only individual members of the Class, and (ii) whether a class action is superior to other available methods for fair and efficient adjudication of the controversy. If the Court certifies the Class, potential Class members who have timely elected to opt-out from the Class by following the procedures described below will be excluded from it.

Third, the Court will consider whether to enter orders that would prevent members of the Class and certain other persons from asserting certain claims against Excellus in the future.

Finally, the Court will consider an application by counsel to the Class for attorneys' fees and expenses to be paid by Excellus, which is also discussed in more detail below.

**V. CAN I PARTICIPATE IN THE SETTLEMENT HEARING?**

Anyone who objects to the proposed Settlement with Excellus, the Settlement Agreement, the application for plaintiffs' attorneys' fees or the other matters to be considered at the Settlement Hearing may appear and present such objections. In order to be permitted to do so, however, you must, on or before \_\_\_\_\_:

- File with the Court a notice of your intention to appear, together with a statement setting forth your objections, if any, to the matters to be considered and the basis for those objections, together with any documentation that you intend to rely upon at the Settlement Hearing, and
- Serve copies of all such materials either by hand delivery or by first-class mail, postage prepaid, upon the following counsel:

Kimberly C. Lawrence, Esq.  
HINMAN STRAUB P.C.  
121 State Street  
Albany, New York 12207

Edith M. Kallas, Esq.  
Joseph P. Guglielmo, Esq.  
MILBERG WEISS BERSHAD & SCHULMAN LLP  
One Pennsylvania Plaza  
New York, New York 10119-0165

If you do not comply with the foregoing procedures and deadlines for submitting written objections and/or appearing at the Settlement Hearing, you may lose substantial legal rights, including but not limited to, the right to appear and be heard at the Settlement Hearing; the right to contest approval of the proposed settlement or the application for an award of attorneys' fees and expenses to plaintiffs' counsel; the right to contest approval of the application for an award of a fee to representative plaintiffs; or the right to contest any other orders or judgments of the Court entered in connection with the proposed settlement.

If the Court does not approve the proposed settlement, the Settlement Agreement will be null and void. If there are further actions taken in the Actions that affect your rights, you will receive notice as determined by the Court.

**VI. HOW DO I FILE A CLAIM?**

As discussed above, the proposed Settlement contemplates certain in-kind benefits for actively practicing physician members of the Class who timely submit claim forms to the settlement administrator and a per-capita payment to claiming retired/deceased Class members. In order to qualify for any in-kind benefits or the per-capita payment, you must complete the enclosed claim form and sign the form, then mail the completed and signed form by NO LATER THAN \_\_\_\_\_ to:

Rust Consulting  
Excellus/Physician Settlement  
501 Marquette Avenue  
Suite 700  
Minneapolis, MN 55402-1208

IN ORDER TO BE ENTITLED TO RECEIVE ANY CASH OR IN-KIND BENEFITS OR TO DONATE SAME TO THE COMMUNITY HEALTH INITIATIVES FUND, YOU MUST COMPLETE AND SIGN A CLAIM FORM AND THE ENVELOPE RETURNING YOUR CLAIM FORM MUST BE POSTMARKED BY NO LATER THAN \_\_\_\_\_. IF YOU DO NOT MAIL YOUR SIGNED CLAIM FORM BY THIS DEADLINE, YOU WILL BE DEEMED TO HAVE WAIVED YOUR RIGHT TO RECEIVE ANY CASH OR IN-KIND BENEFITS.

If you file a claim, you will be electing to be a member of the Class and will be bound by all proceedings, orders, and judgments entered in connection with the proposed Settlement and the Settlement Agreement, including the release, covenant not to sue and dismissal with prejudice described above.

**VII. WHAT IF I DO NOT WANT TO BE PART OF THE SETTLEMENT?**

If you do not want to be a member of the Class and participate in the proposed settlement, then BY NO LATER THAN \_\_\_\_\_ you must send a signed statement to that effect that includes your name, business address, telephone number and social security number and Provider Identification Number and Federal Tax Identification Number to the following:

Rust Consulting  
Excellus/Physician Settlement  
501 Marquette Avenue  
Suite 700  
Minneapolis, MN 55402-1208

TO BE CONSIDERED TIMELY AND TO EFFECTIVELY OPT-OUT OF THE SETTLEMENT, YOUR COMPLETED AND SIGNED OPT-OUT NOTICE MUST BE POSTMARKED BY NO LATER THAN \_\_\_\_\_. IF IT IS NOT POSTMARKED BY THAT DATE, YOUR RIGHT TO OPT-OUT WILL BE DEEMED WAIVED AND YOU WILL BE BOUND BY ALL ORDERS AND JUDGMENTS ENTERED IN CONNECTION WITH THE SETTLEMENT

If you choose to opt-out of the Settlement and the settlement Class, you will not be entitled to receive the benefits of the proposed settlement with Excellus, including any payment from the settlement fund or in-kind benefits. Your claims against Excellus will not be released and you will be free to pursue any claims you believe you have.

#### **VIII. WHAT ABOUT ATTORNEYS' FEES AND EXPENSES?**

Since the beginning of this litigation, plaintiffs' counsel in the Actions have not received any payment for their services in prosecuting the Actions, nor have they been reimbursed for any out-of-pocket expenses. If the Court approves the proposed settlement, counsel to the plaintiff class will apply to the Court for an award of attorneys' fees, including costs and expenses. In the Settlement Agreement, Excellus agreed not to oppose such an application in the aggregate amount of up to three million dollars (\$3,000,000) and plaintiffs counsel agree to waive the amount of any award in excess of three million dollars (\$3,000,000). If the Court awards plaintiffs' attorneys' fees and expenses in an amount no greater than that amount, Excellus will pay the amount awarded by the Court to plaintiffs' counsel. This payment is in addition to the consideration to the members of the Class that is described above and will not reduce the amount available to members of the Class if the proposed Settlement is approved.

#### **IX. WHAT ARE THE REPRESENTATIVE PLAINTIFFS' FEES?**

In addition to the application for attorneys' fees and expenses described in the preceding section, in connection with the Court's consideration of the proposed settlement, the representative plaintiffs intend to seek an award from the Court of fees in the amount of up to fourteen thousand dollars (\$14,000) for each representative plaintiff, which if awarded would be in addition to the settlement consideration that will be available to members of the Class generally. In the Settlement Agreement, Excellus agreed not to oppose such an application up to fourteen thousand dollars (\$14,000) for each representative plaintiff. If the Court awards representative plaintiffs a fee up to that an amount, Excellus will pay such amount to the representative plaintiffs.

**ORDER CONDITIONALLY CERTIFYING THE CLASS, PRELIMINARILY  
APPROVING PROPOSED SETTLEMENT, SETTING FORM AND CONTENT OF  
NOTICE TO THE CLASS AND SCHEDULING FINAL SETTLEMENT HEARING**

The Court having reviewed and considered the Joint Motion for Preliminary Approval of Proposed Settlement with Excellus, Inc. (a corporation no longer in existence), Excellus Benefits Services, Inc., and Excellus Health Plan, Inc., a New York not-for-profit corporation, (hereinafter collectively "Excellus" or "Company") dated May 23, 2005, and having been apprised of the terms and conditions of the proposed settlement (the "Settlement") as set forth in the Settlement Agreement dated May 23, 2005 (the "Settlement Agreement"), a copy of which has been

submitted with the joint motion, and on the basis of such submissions, together with the other submissions by the parties in support of the joint motion, and all prior proceedings had in this litigation, good cause for this Order having been shown,

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. The terms of the Settlement Agreement are hereby preliminarily approved, subject to further consideration at the Settlement Hearing provided for below. The Court concludes that the Settlement is sufficiently within the range of reasonableness to warrant the conditional certification of the Settlement Class, the scheduling of the Settlement Hearing and the circulation of notice to members of the Class, each as provided for in this Order.

Conditional Certification of the Class

2. For purposes of settlement only, pursuant to New York Civil Practice Laws and Rules 902, the action styled William Dolan, M.D. and Sylvia Norton, M.D., on behalf of themselves and all others similarly situated v. Excellus, Inc., et al., Index No. 9768-01 is conditionally certified as a class action on behalf of the following persons (the "Class"):

any and all Participating and Non-Participating Physicians, Physician Groups and Physician Organizations who provided Covered Services in the State of New York to any Excellus Plan Member or any individual enrolled in or covered by an insured plan in the State of New York offered or administered by any Person named as a defendant in the Actions or by any of their respective current or former subsidiaries or affiliates, in each case from August 15, 1996 through the Preliminary Approval Date.

Representative Plaintiffs are temporarily certified as representatives of the Class. In issuing this Order, the Court finds that the proposed class satisfies the requirements under CPLR 901 and 902, in that the numbers of the class are sufficiently numerous as to make joinder of all members of the class impracticable; there are issues of law and fact relating to the alleged uniform

practices of defendants which are common to the class; the claims of the class representatives are typical of those of the unnamed class members; and the class representatives have fairly and adequately represented the class and have retained qualified class counsel who have properly represented the class in the prosecution and settlement of this action. Moreover, the Court finds that the requirements of both CPLR 901 and 902 are satisfied, in that plaintiffs have alleged that defendants have acted in respects generally applicable to the class, thereby making appropriate final injunctive relief with regard to the class as a whole, and the questions of law and fact common to the class predominate over any questions affecting only individual members and a class action is superior to other available methods for the fair and efficient adjudication of this controversy. This conditional certification of the Settlement Class and class representatives is solely for purposes of effectuating the Settlement. If the Settlement Agreement is terminated or is not consummated for any reason, the foregoing conditional certification of the Class and appointment of class representatives shall be void and of no further effect and the parties to the Settlement shall be returned to the status each occupied before entry of this Order without prejudice to any legal argument that any of the parties to the Settlement Agreement might have asserted but for the Settlement Agreement.

Settlement Hearing; Right to Appear and Object

3. A hearing (the "Final Settlement Hearing") shall be held before the Court on \_\_\_\_\_, 2005, in the New York Supreme Court, Monroe County, 545 Hall of Justice, Rochester, New York 14614 to determine:

- (a) whether the Court should certify the Class and whether Representative Plaintiffs and their counsel have adequately represented the Class;

- (b) whether the Settlement, on the terms and conditions provided for in the Settlement Agreement, should be finally approved by the Court as fair, reasonable and adequate;
- (c) whether the Action should be dismissed on the merits and with prejudice;
- (d) whether the application for attorneys' fees and expenses to be submitted by Class Counsel in connection with the Settlement Hearing should be approved;
- (e) whether the application for a fee award to Representative Plaintiffs to be submitted in connection with the Settlement Hearing should be approved;
- and
- (f) such other matters as the Court may deem necessary or appropriate.

The Court may finally approve the Settlement at or after the Settlement Hearing with any modifications agreed to by the parties and without further notice to the Class.

4. Any member of the Class who has not timely provided notice of an election to opt-out of the Class and the Settlement in the manner set forth below, and any other interested person, may appear at the Settlement Hearing in person or by counsel and be heard, to the extent allowed by the Court, either in support of or in opposition to the matters to be considered at that hearing, provided, however, that no person shall be heard, and no papers, briefs or other submissions shall be considered by the Court in connection with its consideration of those matters, unless on or before \_\_\_\_\_, 2005, such person:

- (a) files with the Court a notice of such person's intention to appear, together with a statement setting forth such person's support or objections, if any, to the matters to be considered and the basis therefore, together with any

documentation that such person intends to rely upon at the Settlement Hearing; and

- (b) serves copies of all such materials either by hand delivery or by first-class mail, postage prepaid, upon the following counsel:

Kimberly C. Lawrence, Esq.  
HINMAN STRAUB P.C.  
121 State Street  
Albany, NY 12207

Joseph P. Guglielmo, Esq.
