The Young Physicians Section is the voice of young physicians in the State of New York. The Section identifies and responds to the needs and goals of young physicians as they seek to deliver the highest quality care to patients; advising MSSNY in focusing its resources to better serve the needs and goals of young physicians; providing the perspective of young physicians in policy processes; and educating young physicians about the structure and function of MSSNY and the Federation.

We would welcome your participation. Currently, we meet virtually on the first Wednesday of each month. We offer a robust agenda with invited guest speaker(s). Please consider joining the Young Physicians Section. We would value your input.

Please contact Kathy Rohrer at krohrer@mssny.org if you would like to join our next meeting, scheduled for Wednesday, April 7 at 7:00 PM.

If you are not currently a MSSNY member, please consider joining as this will give you the opportunity to vote on important issues facing young physicians. please visit our website at www.mssny.org and click on the "Join MSSNY" link.

If you have any questions concerning the Young Physicians Section, please contact me at schandra2@yahoo.com.

We look forward to seeing you at our next meeting.

Sincerely,

Subhash Chandra, MD, FAPA
2021-2022 Chair, Young Physicians Section
