

## PTSD and TBI

### In Returning Veterans: Identification and Treatment

Tuesday, June 24, 7 a.m.

Wednesday, June 30, 6 p.m.

#### OBJECTIVES

- Explain the two most common disorders facing returning veterans today, their prevalence, risks, costs, and comorbidities.
- Identify common symptoms and causes of PTSD and Traumatic Brain Injury (TBI), especially those that affect returning veterans most.
- Outline proven treatment options in psychotherapy and pharmacotherapy, from concept to implementation.
- Outline the process of recovery and post-traumatic growth.
- Discuss barriers to treatment, including those unique to military culture, and how to overcome them.

Presented by Dr. Frank Dowling and Dr. Joshua Cohen
