Welcome to the **New York State Physician Profile** Web site. Here you will find profiles for all licensed doctors of medicine and doctors of osteopathy who are registered to practice medicine in New York State. A profile is information about the doctor. This information can help you choose a doctor or find out more about a doctor you go to now.

Click here to search for a physician.

Click here to learn more about the Physician Profile.

Disclaimer:

The data collected by the department is accurate to the best of the knowledge of the department, based on the information supplied by the physician who is the subject of the data.

While the department utilizes a variety of sources of information in checking the accuracy of the data reported, we cannot be sure that all of the information on this website is right, complete, or up-to-date, and cannot be responsible for any information that is wrong or has been left out.

Consumers are encouraged to consult other sources to verify or obtain additional information about a physician.

Pending legal actions do not in any way indicate parties' guilt, liability or culpability. Cases may be dismissed, withdrawn, or settled without payments to plaintiffs. Any disposition to a case may be subject to appeal.
