

CME DAY at the 2022 MSSNY House of Delegates

Friday, May 20, 2022 via Zoom - [Click Here to register](#)

1:00 - 2:00 p.m. EHR in the Courtroom, What the Practitioner Should Know

2:00 - 3:00 p.m. Addressing the Disruptive Patient: Strategies for a Changing Dynamic

3:00 - 4:00 p.m. New York State Healthcare Law Review

PRESENTATION DESCRIPTION

EHR in the Courtroom, What the Practitioner Should Know

1:00 p.m. - 2:00 p.m.

[Click Here to register](#)

As the use of electronic health records (EHR) systems continues to impact the way physicians practice medicine, they also influence how plaintiff attorneys prosecute malpractice claims. Join us as an attorney from Mercado May-Skinner and a MLMIC Risk Management Consultant discuss the documentation pitfalls associated with electronic health records, the features of EHR that plaintiff attorneys will use in the courtroom to demonstrate liability, and steps physicians can take to mitigate the risk of malpractice claims.

At the end of this presentation, the participant will be able to:

- Discuss the common terms and concepts that arise with electronic health records (EHR) in litigation.
- Identify the system and user-related issues in EHR that impact malpractice suits.
- Provide an overview of eDiscovery associated with EHR.
- Outline strategies to mitigate the risks of EHR related claims.

MLMIC is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

MLMIC designates this live internet activity for a maximum of *1.0 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Addressing the Disruptive Patient: Strategies for a Changing Dynamic

2:00 p.m. - 3:00 p.m.

[Click Here to register](#)

Disruptive behavior has become endemic in healthcare, with the industry leading the nation in workplace violence injuries. The COVID-19 pandemic has also contributed to an increase in other forms of abusive behavior towards overwhelmed healthcare providers. Join us as we discuss the impact of disruptive patient behavior on the health and safety of healthcare workers and offer strategies to reduce the incidence of this behavior in your care environment.

At the end of this presentation, the participant will be able to:

- Identify the factors that contribute to disruptive behavior.
- Discuss the impact that disruptive behavior has on the well-being of healthcare workers.
- List recommendations to safely address disruptive behavior should it occur in your practice setting.
- Outline strategies to reduce the incidence of disruptive behavior in your practice setting.

MLMIC is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

New York State Healthcare Law Review

3:00 p.m. - 4:00 p.m.

[Click Here to register](#)

Join us as an attorney from Mercado May-Skinner provides an overview of the recent legislative and case law developments that impact the provision of healthcare.

At the end of this presentation, the participant will be able to:

- Examine the tolling of the Statute of Limitations in place during the COVID-19 pandemic.
- Identify the federal and state immunities from liability during the pandemic.
- Recognize the impact of anchoring and excessive awards in malpractice cases.
- Discuss the proposed laws being considered by the state legislature.
- Describe the significance of a recent decision on the Quality Assurance Privilege.
