

NYS MME Calculator

Accessing the New York State Morphine Milligram Equivalent Calculator

Step 1.

- Click on this [link](#) to access the New York State Prescription Monitoring Program Morphine Milligram Equivalent Calculator:
- You will be prompted to log into your Health Commerce System Account.

Step 2.

- Once logged in, click “NYS PMP” logo or go to the NYS PMP Registry through “My Applications”

Step 3.

- Once you get to the Prescription Monitoring Program Registry, you will see a “MME Calculator” in the purple navigation bar as shown in the photo below.
- Click “MME Calculator”. This will take you to the NYS MME Calculator.
- Please explore different aspects of the calculator and proceed with the survey.
