MSSNY 2023 House of Delegates

MSSNY.org

The Medical Society of the State of New York Annual House of Delegates Meeting and Vendor Expo is the premiere event of the year for hundreds of physician leaders throughout New York State. Physicians representing every county, district, medical school, and specialty attend to deliberate on patient health, improvements to medicine, and legislative initiatives affecting medicine and patients. The meeting provides an opportunity for physicians to attend continuing medical education credit courses and network with fellow physicians and colleagues in the industry.

Representation includes physicians currently in practice and MSSNY's Sections for Young Physicians, Residents and Fellows, Medical Students, International Medical Graduates, and Organized Medical Staffs. Founded in 1807, the Medical Society of the State of New York is the state's principal non-profit professional medical organization advocating for patients and physicians. Its mission is to represent the interests of patients and physicians to ensure quality healthcare for all without consideration of race, background, gender, or orientation. You are invited to participate in this event to showcase your company and services. In addition to physicians, executive staff for county and specialty societies also attend, and those executives are always eager for new benefit programs and services for their members. They are the decision-makers for their organizations throughout the state.

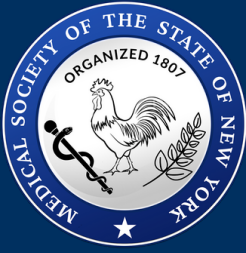

This year's House of Delegates will feature the inauguration of **Paul A. Pipia, MD** as the new President of MSSNY. Dr. Pipia is currently Chairman of the Department of Physical Medicine and Rehabilitation as well as the Deputy Medical Director of the Nassau County Medical Center. The House of Delegates will also recognize the service of outgoing MSSNY President Parag Mehta, MD, MACP.

Please join us in congratulating these leaders in medicine by becoming a supporter of the House of Delegates and the Presidents' Gala on Saturday, April 22 at the Westchester Marriott Hotel.

***Parag Mehta, MD, MACP
President***

***Troy Oechsner
Executive Vice President***
