

## **Communications Report**

### **June 12, 2024**

#### **Social Media:**

MSSNY's April House of Delegates was the star of our social media over the past 2 months. With coverage of the poster symposium, proceedings of the house, vendors, and of course, everyone's favorite, the president's gala, we saw a nice spike in engagement during the weekend and weeks following HOD.

Other social media campaigns include end of the legislative session advocacy issues, including wrongful death, coverage of medical aid in dying and highlighting press and podcasts from leadership, such as the MLMIC Verdict podcast with new president Dr. Jerome Cohen. See stats on page 2-3.
