**Councilor's Report
March 11, 2024
Daniel Choi, MD, Councilor**

- **We are excited for 2024 House of Delegates, as Suffolk County submitted and sponsored many meaningful resolutions.**
- **Our March 23 Research Symposium is filling up. We now have 40 poster presenters, physicians, community members and elected officials registered. All are welcome to attend, registration by March 19.**
- **We are proud of our President Dr Marino, and team of Dr Eagle, Dr Dowling and Dr Basile for advocating and writing a soon to published letter to Newsday supporting CPH.**
- **The Suffolk County team is actively working to pursue other hospitals as well as satellite offices with membership opportunities.**
- **All our Doctors of Tomorrow students have been successfully paired with preceptors from Suffolk County.**
- **We continue to work hard to process invoices for current membership year and find work arounds for issues with impexium.**
