Disclosure Statement

As an ACCME-accredited provider, MSSNY is required to identify and mitigate relevant financial relationships of all individuals in control of CME content.

Financial relationships are relevant if the following three conditions are met for the prospective person who will control content of the education:

- ✓ A financial relationship, in **any amount**, exists between the person in control of content and an ineligible company.
- ✓ The financial relationship existed during the past **24 months**.
- ✓ The content of the education is related to the products of an ineligible company with whom the person has a financial relationship.

If there are NO relevant financial relationships:

Inform learners that planners, faculty, and others in control of content (either individually or as a group) have no relevant financial relationships with ineligible companies.

If there ARE relevant financial relationships:

Disclose name(s) of the individuals, name of the ineligible company(ies) with which they have a relevant financial relationship(s), the nature of the relationship(s), and a statement that all relevant financial relationships have been mitigated.
