**1) Welcome; please review committee list**

**2) Adoption of October 4, 2023 Minutes** - approved

**3) Review of White Paper: "Return to Screening"** – The committee voted to approve the changes that had been made by Dr. Fishman, Dr. Killackey, Dr. Korytko and Dr. D'Alessio. The paper will be presented to the MSSNY Council in March.

**4) 2024 House of Delegates: Possible Resolutions from the Committee –**  
The committee voted to co-sponsor a resolution with the Infectious Diseases committee and the Emergency Preparedness Committee, on the principles of public health.

**5) Assembly Bill:** There was discussion of this measure that will allow medical necessity to be determined once someone is diagnosed with dense breast tissue. Ms. Clancy noted that there will be a GAC letter developed.

**6) Adjournment: Next Meeting May 1, 2024**
