During this presentation, an attorney from MLMIC's Legal Department will provide an overview of the recent legislative, regulatory and case law developments that impact the provision of healthcare.

By the end of this presentation, attendees will be able to:

- Discuss the status of COVID immunity litigation.
- Identify the difference between medical record addenda and alteration, and their impacts upon malpractice claims.
- Understand the responsibilities of general practitioners and specialists during consultations.
- Consider how recent court decisions and legislative initiatives may impact medical professionals in New York state.

MLMIC is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.
