I am running for the position of **Vice-Speaker**

Please type a brief candidate statement.

I am honored to be nominated to the position of Vice Speaker. I have been involved in organized medicine since the beginning of my postgraduate medical training, and remained very involved throughout residency, fellowship, and now attending life. I have always been very interested in the rules of parliamentary procedure, and how they protect the rights of the minority opinion while giving weight to the wishes of the majority. I have served as various positions in organized medicine including as a state and national delegate, a member of various state and national commissions, chair of state commissions, member of state and national reference committees, chair of state reference committees, vice chair of the MSSNY YPS, and last year was honored to be elected to your AMA delegation. I have taken the exam to become a registered parliamentarian and demonstrate my understanding and mastery of parliamentary procedure, and I am a member of both the National Association of Parliamentarians and the American Institute of Parliamentarians. I hope to continue to serve MSSNY as your next Vice Speaker. Thank you.

If you are a prefatory nominee please upload your CV.
