

Organized Medical Staff Section Councilor Report
Medical Society of the State of New York
Council Meeting: March 11, 2024

Prepared and submitted by Charles Lopresto, DO
MSSNY Organized Medical Staff Section Councilor, 2023-2025

The MSSNY OMSS has not yet had it's annual meeting, the Councilor awaits scheduling from the chair to do so to ensure elections and continuity in the section. Our last annual meeting was February 25th 2023.

On the National front, the American Medical Association's Organized Medical Staff Section (AMA OMSS) is requesting members complete the [following survey](#) regarding topics of education at the A24 Annual meeting, all of which focus on different elements of Artificial Intelligence in Medicine. MSSNY OMSS members who are also AMA members are encouraged to fill out the above survey.

Additionally we remind MSSNY OMSS members to take the opportunity to ensure your Medical Staff Society has representation within the AMA OMSS. The duties and responsibilities of the representatives to the AMA OMSS can be found [here](#). To confirm if your Medical Staff Society already has a representative, or if the position is vacant, please email AMA OMSS staff at omss@ama-assn.org. If there is an opening and you would like to serve as the representative from your Medical Staff Society to the AMA OMSS, please fill out [this form](#), and you will be welcomed to join us at the Annual AMA OMSS meeting in June in Chicago. New York could use more representation, and would only benefit your hospital, our section, and MSSNY at large.

We also remind MSSNY OMSS members that the Annual Meeting of the AMA OMSS will include elections for the following Governing Council positions; Chair, Vice Chair, Secretary, Delegate, Alternate Delegate and 2 Member At-Large positions. Nominations for these positions are due May 24th and can be submitted [here](#).
