I am running for the position of **AMA Delegate**

Please type a brief candidate statement.

I have been in practice for 40 years and strongly involved in healthcare advocacy. I also have been intimately involved with MSSNY as a delegate and past president of Nassau County. I recently served as an alternate delegate at the AMA interim meeting. I also serve on the legislative affairs committee of the American Urologic Assn as well as other committees in their public health policy section. I believe that I bring value to these organizations and will continue even as I enter a slowdown phase of my clinical career.

If you are a prefatory nominee please upload your CV.
