- 1) **Review of Committee lists; any recommendations for appointments.**
- 2) **Adoption of October 12, 2023 minutes** – approved with correction of typo
- 3) **2023 HOD Resolution 116 referred by MSSNY Council: Moving Vehicles—Lisa Eng, DO, author to “testify” to the resolution.** – The committee voted to recommend non adoption with the suggestion that this resolution be brought to the 2024 HOD with specific changes.
- 4) **2024 House of Delegates Resolution: Request from Infectious Diseases Committee for PMFH to co-sponsor resolution on public health principle**
– There was discussion of this resolution that called for MSSNY to cosponsor a resolution put forth by the Infectious Diseases Committee. This resolution did support evidence based medicine, promotion of immunization and public health strategies. The committee did discuss making slight changes, but realized that this resolution had already been approved by other committees and did agree to support the resolution as is. Dr. Maldonado voted to not support co-sponsorship. The committee also voted to support HOD resolution put forth by Dr. Korn, requiring stores that sell tobacco products to display Quitline information.
- 5) **Adjournment: May 9, 2024**
