AMA-YPS

The delegation to the AMA-YPS attended the HOD interim meeting in November in National Harbor. We continue to have a strong presence in the section as our MSSNY-YPS members have representation for MSSNY as well as specialty societies.

MSSNY-YPS Endorsements

The section will be meeting in late February to discuss resolutions. If any other groups wish to seek the YPS to be co-sponsors of a resolution, please submit it myself prior to February 20th for consideration at the section's meeting.

Upcoming YPS Meetings

We continue to meet every other month, first Wednesday of the month. You can connect your YPS members to myself or Kathy Rohrer, MSSNY staff, for more information to join the meetings.
