Health Care Access Loan Repayment (HEALR) Program

You take care of your patients; we take care of your debt.

The HEALR program seeks to attract and retain high-quality providers in high-need professional titles by assisting with their student debt. By addressing financial barriers and fostering professional growth, we can strengthen the workforce, enhance provider satisfaction, and improve health outcomes for New York State (NYS).

- ✓ **Psychiatrists – Up to \$300k**
- ✓ **Primary Care Physicians and Dentists – Up to \$100k**
- ✓ **Nurse Practitioners and Pediatric Clinical Nurse Specialists – Up to \$50k**

REQUIREMENTS

- Licensed to practice in NYS
- 4-year commitment to work at a qualifying organization or maintain a qualifying personal practice panel*

*Qualifying organizations/personal practice panels are those that serve at least 30% Medicaid Members and/or uninsured individuals. Also qualifying are those contracted with a state-designated Social Care Network, which provides health-related social needs screening, referrals, or other services.
